BEST Chocolate

Crop: 2015

Produced from quality spring barley. Using our unique process BESTMALZ uses carefully selected grains before malting them. BEST Chocolate is produced from green or kiln-dried malt in a gentle roasting process, which reduces astringency and bitterness. Dosages up to 10% are possible without any bitter pyrazine flavor. The color of the foam will not be affected but foam stability will be improved.

Flavor: Bitter chocolate, cappuccino

The following values are subject to harvest-specific variations. All analysis are performed by independent, certified laboratories according to MEBAK „Brew-Technical Analysis Methods“.
