BEST Special X®

Crop: 2015

Produced from quality spring barley. BEST Special X® introduces bitter roasted flavors, but rather brings a mild smoothness to beer without any of the astringent qualities associated with other dark malts. The beer possesses a chestnut to dark hue (depending on rate) and an aromatic and harmonious full-bodied character. BEST Special X® is a cool and 'crafty' malt-product.

Flavor: Raisins, dried fruit, cocoa, chocolate, nut, plum

The following values are subject to harvest-specific variations. All analysis are performed by independent, certified laboratories according to MEBAK „Brew-Technical Analysis Methods“.
